MISSION

The mission of the Société de l'assurance automobile du Québec (SAAQ) is to provide insurance protection for Quebecers against the risks inherent in use of the road. This safety promotion-insurance model operates in:

- accident prevention and road safety promotion;
- monitoring access to the highway and the collection of licensing fees (from drivers and vehicle owners);
- enforcing compliance by highway carriers of goods and passengers with transport legislation;
- road accident victims' compensation and their rehabilitation.

GENERAL COMMITMENTS

The SAAQ gives priority to the public's access to its services and the quality of its products. We are committed to:

- giving you our full attention and treating you with respect and courtesy;
- facilitating your access to services to which you are entitled;
- processing your claims fairly and confidentially;
- using clear and easily understandable language in our communications with you;
- giving you reliable information;
- informing you of how much time processing your requests will take, where possible.
