

## Liste des espèces de plantes recensées

La liste ci-dessous contient la plupart des espèces rencontrées sur le terrain. Le code «T» indique les espèces rencontrées dans les milieux tourbeux et le code «F» pour les plantes colonisant les habitats forestiers et la lettre «P» pour les habitats ouverts herbacés (bords de route, champs agricoles, prairies humides, bord de rivière).

### Arbres et arbustes

- (F)*Abies balsamea*
- (F)*Acer spicatum*
- (F)*Acer rubrum*
- (F,T)*Alnus rugosa*
- (F)*Alnus crispa*
- (F,T)*Amelanchier* sp.
- (T)*Andromeda glauca*
- (F)*Betula papyrifera* var. *cordifolia*
- (T)*Cassandra calyculata*
- (F)*Cornus stolonifera*
- (T)*Kalmia angustifolia*
- (T)*Kalmia polifolia*
- (T)*Larix laricina*
- (T,F)*Ledum groenlandicum*
- (T)*Myrica gale*
- (F)*Nemopanthus mucronatus*
- (F)*Picea glauca*
- (F,T)*Picea mariana*
- (F)*Pinus divaricata*
- (F)*Prunus pensylvanica*
- (F)*Prunus virginiana*
- (F)*Populus tremuloides*
- (F)*Populus balsamifera*
- (T)*Rhododendron Canadensis*
- (F)*Ribes glandulosum*
- (F)*Rubus idaeus*
- (F,T)*Salix* spp.
- (F)*Sambucus pubens*
- (F)*Sorbus Americana*
- (F) *Vaccinium angustifolium*
- (F) *Vaccinium myrtilloides*
- (T) *Vaccinium oxycoccus*
- (F) *Vaccinium vitis-idaea*
- (F) *Viburnum edule*

### Plantes herbacées

- (P)*Achillea millefolium*
- (F)*Aralia nudicaulis*
- (F)*Aralia hispida*
- (P)*Aster paniceus*
- (F,P)*Aster umbellatus*
- (F)*Aster macrophyllus*
- (P)*Agropyron repens*
- (F)*Athyrium felix-femina*
- (P)*Calamagrostis canadensis*
- (P)*Carex palcea*
- (P)*Carex rostrata*
- (T)*Carex trisperma*
- (F,P)*Carex* spp.
- (F)*Chiogenes hispidula*
- (P)*Cirsium arvense*
- (F)*Clintonia borealis*
- (F)*Coptis groenlandicum*
- (F)*Cornus canadensis*
- (P)*Chrysanthemum leucanthemum*
- (F)*Diervilla lonicera*
- (F)*Dryopteris disjuncta*
- (F)*Dryopteris phegopteris*
- (F)*Dryopteris spinulosa* (*Sensu lato*)
- (T)*Drosera rotundifolia*
- (P)*Eleocharis acicularis*
- (F)*Epilobium angustifolium*
- (F)*Equisetum fluviatile*
- (F)*Equisetum sylvaticum*
- (T)*Eriophorum spissum*
- (P)*Eupatorium maculatum*
- (F)*Geocaulon lividum*
- (F,P)*Heracleum maximum*
- (P)*Hieracium aurantiacum*

- (P)*Hieracium pratense*  
 (P)*Hierochloe odorata*  
 (F)*Juncus brevicaudatus*  
 (P)*Juncus filiformis*  
 (P)*Ligusticum scoticum*  
 (F)*Linea borealis*  
 (F)*Lycopodium annotinum*  
 (P)*Lysimachia terrestris*  
 (F)*Maianthemum canadensis*  
 (P)*Matricaria matricarioides*  
 (F,P)*Matteucia struthiopteris*  
 (F)*Onoclea sensibilis*  
 (F)*Osmunda cinnamomea*  
 (P)*Phleum pratense*  
 (P,F)*Polygonum ciliodes*  
 (P)*Potentilla anserina*  
 (T)*Rubus chamaemorus*  
 (F)*Rubus pubescens*  
 (P)*Rumex acetosella*  
 (P)*Sagittaria latifolia*  
 (P)*Sanguisorba canadensis*  
 (F,P)*Scirpus atrocinatus*  
 (P)*Solidago canadensis*  
 (P)*Solidago rugosa*  
 (T)*Scirpus caespitosus*  
 (P)*Scirpus atrovirens*  
 (F)*Solidago macrophylla*  
 (P)*Solidago graminifolia*  
 (P)*Sparganium angustifolium*  
 (P)*Spartina alterniflora*  
 (F)*Streptopus roseus*  
 (P)*Taraxacum officinale*  
 (F)*Thalictrum pubescens*  
 (P)*Trifolium repens*  
 (P)*Vicia cracca*  
 (P)*Viola pallens*
- (F,T)*Dicranum spp.*  
 (F)*Hylocomium splendens*  
 (F)*Peltigera aphthosa*  
 (F)*Pleurozium schreberii*  
 (T)*Polytrichum strictum*  
 (F)*Polytrichum commune*  
 (F)*Pohlia sp.*  
 (F,T)*Ptilidium ciliare*  
 (F)*Ptilium crista-castrensis*  
 (T)*Sphagnum angustifolium*  
 (T)*Sphagnum capillifolium*  
 (T)*Sphagnum fallax*  
 (T)*Sphagnum fuscum*  
 (F)*Sphagnum girgenshonii*  
 (F,T)*Sphagnum magellanicum*  
 (T)*Sphagnum rubellum*  
 (F)*Sphagnum russowii*

### Invasculaires

- (F)*Brachythecium spp.*  
 (F,T)*Cladina rangiferina*  
 (F,T)*Cladina mitis*  
 (F,T)*Cladina stellaris*  
 (R)*Cladonia deformis*
