WELCOME TO THE WONDROUS WORLD OF THE SAINT-LAURENT!

*A*s Minister for Transport, I am proud to introduce the international cruise industry to the 2004 edition of Cruising the Saint-Laurent, this year covering 84 different cruises offered by 25 international cruise companies.

Come sail the Saint-Laurent, one of the world's greatest rivers. I invite you to discover it in all its splendour, through the changing tides and seasons. Come meet the people who live along its shores, and surrender to the charm of its landscapes.

This publication could not have been produced without the cruise companies, the maritime agencies and the St. Lawrence Cruise Association, all of which I want to thank for their invaluable collaboration.

Welcome to the wondrous world of the Saint-Laurent!

Julie Boulet
Minister for Transport

CRUISING THE SAINT-LAURENT

DESTINATIONS AND PORTS OF CALL YEAR 2004

This map illustrates the Saint-Lawrence River and its surrounding regions, including Québec, Ontario, New Brunswick, Nova Scotia, Newfoundland and Labrador, and the U.S.A. The river is shown flowing from the north towards the south, with various ports and destinations marked along its course. Key locations include Hudson Bay to the west, the Atlantic Ocean to the east, and the U.S.A. to the south. The map also shows the 1927 Boundary of the Privacy Council (not definitive) and the 1925 Boundary of the Privacy Council (not definitive). A compass rose is located in the upper left corner, and a scale bar in nautical miles and kilometers is in the lower right corner.
